the Ambassadors Voice

If someone is speaking about bleeding edge within the open source world, he can't avoid to mention Fedora.

Sandro Mathys

Fedora is truly a global community. 24x7x365, work and progress is always happening. For the rest of my career, I will always think about the power of communities in any job I have.
Max Spivack

Since the dawn of humanity, people eager to freedom, a freedom of speech, learn, advance and communicate, thus fedora was born...

Saadaldine Alsaïdi

Fedora is free, powerful, dynamic, and reliable.
Grady Laksmono

Fedora is Free
Just like the air you breathe.

Juan Rodriguez Moreno

Each idea or a line of code is like a drop of water that makes this big unstoppable flood we call Fedora!

Valent Turkvic

Libertad y potencial son cosas que rara vez van de la mano. Linux y Fedora ponen estas cualidades a tu disposición, sin barreras ni restricciones. Tu eliges a donde quieres ir.

Arturo Hoffstalt

Fedora Project is like a cake: you need a lot of time to prepare it but you are always happy to share with others.

Francesco Ugolini

People used to think Open Source Software was lagging innovation, reliability and performance. Now, Fedora challenges restrictive software to keep up with technology...
GO Fedora, GO :-))!!!

Paulmarco Bougharios

How do you know there are greater things happening... lots of people working day and night for a cause... When you see the outcome of the process: Fedora Project.

Siddharth Upmanyu

Fedora is the most important Operating System Platform project for me. And Fedora Project is the most happening FOSS community, Liberal and Forward moving!

Kevin Veruca

Wow, look what I've gone and started!!

Jack Aboutboul

Every day, a new idea, a change, Every change brings a smile onto a million faces, that's Fedora Projects and that's freedom.

Shoaib Handoo

The freedom of Fedora extends to the distribution, it gets up to our style of life and our community. It is the essence that moves to all the ambassadors and users of Fedora.
